C Grade City:	Nagpur, Bhubaneswar, Chandigarh, Siliguri, Guwahati, Patna, Raipur & Other State Capitals
D Grade City:	All other locations

Norms: -

- The Above Amounts are maximum permissible and included all taxes. Amounts payable will be actual amounts spent or the maximum specified
- Whenever the tour expenses on any day exceed the limit specified, the same can be adjusted against the amount spent less on any other day during the same tour .
- All expenses while on tour will have to be borne by the touring staff. When touring with junior staff, it will be the responsibility of the senior staff
- If two employees travel and share a single room on any tour, the claims of both the employees shall be separately prepared and submitted. In such cases only one employee shall claim the charges.
- Employees going on tour, should claim all expenses from the home station.
- All expenses are inclusive of applicable government taxes.

- In case of urgency/emergency, an employee can be permitted to travel by higher class by train/Air. However, in all cases Air Travel is permissible only if the Journey by Rail exceeds 12 hours of day / night OR as above guided in Trasport Column to take the advantage of Apex Fare . The permission should be in writing and prior approved from CEO.

GUIDELINES.

- Any deviation from policy as per eligibility needs prior approval from CEO in writing and same should be attached while claiming tour expenses.
- Boarding Entitlement starts from the moment an employee leaves the place of origin and ends the moment he reaches the origin back. Boarding allowance is calculated for every 24 hours of stay at the destination station or part thereof.
- Out station tours should be planned in such a way that ,maximum transit should be at night for longer or over night journey.
- For short distance covering 3 to 6 hours, you should plan morning travel ,so that you can reach the destination in office hours and can work on that day.
- You must abide by the eligibility of travel and hotel expenses as per your grade or as fixed as per policy

- 5 If check out time of the hotel is 12 'O clock and your return is same day,you should vacate the hotel before 12'O clock only to avoid unnecessary additional room rent.
- 6 Local conveyance at the touring place should be as per your eligibility criteria only like ,car,bus,auto ,taxi etc etc.
- 7 Official tours should not be followed by leave if availed.
- 8 You must submit your tour expenses with all supporting with in 72 hours of reporting at your office.

Boarding included Lunch & Dinner only, as Breakfast offered complimentary in the hotels (No alcoholic items will be allowed).

Calculation of Lodging & Boarding Expenses.

-	
Between 12 hrs and 24 hrs	100%
Between 6 hrs and 12 hrs	50%
Below 6 hrs	25%

Approving Authority: For undertaking Travel & Approval for travel bills

HOD's :ED/MD/ Chairman

For Others :HOD/CEO

SETTLEMENT OF TRAVEL ACCOUNT.

- 1 Employees on return from tour should present all the tour expenses to their Accounts Department duly supported by bills and vouchers with approvals in 72 hours of their return.
- 2 In case of Air travel, they should compulsorily enclose the Air Ticket and Boarding cards if the Company books the ticket. For train journey, Xerox copy of the ticket should be enclosed to the travel claim. In case the Xerox could not be taken for any reason, the PNR No or the ticket number /reservation ticket number etc., is to be provided with the bills. In case of bus journey, the journey tickets should be enclosed.
- 3 Travel advance drawn by an employee will be debited to his imprest account and shall be cleared only as per the approved Travelling Expenses submitted by the employee.
- 4 It is the foremost responsibility of the employee after completing his tour to prepare his travel claim with complete details and submit the claim
- 5 In case of any unapproved/excess of limit amount, claim can be recovered through process defined.

Note : It is expected that factual details are filled in the tour expenses report duly supported by authentic bills. All claims are subjected to the actual expenditure.
